OFFICE OF
THE COMMISSIONER

CUSTOMER SERVICE

To: Somerville Business Owners
From: The Department of Public Works
Date: November 21, 2006

Re: Renewal of trash removal services.

The City of Somerville is currently collecting the annual fee for 2007 curbside trash removal services.

If you would like to use the city's services, please fill out the enclosed application form and mail a check or a money order payable to the City of Somerville using the provided envelope. A new sanitation decal will be mailed to your place of business. The decal must be displayed in the window.

Payments must be received by **January 14, 2007**, if you do not pay by this date your trash removal services will cease. If you are utilizing a private contractor for trash removal, please be aware that City Ordinance 9-116 (11) prohibits loading and unloading of dumpsters between the hours of 7:00pm and 7:00am.

In order to encourage recycling and reduce the amount of trash there is no annual fee for recycling services. Glass bottles, metal cans, plastic containers, and milk/juice cartons are acceptable items and may be co-mingled in one bin. All paper materials, including cardboard, must be recycled separately in a paper product only bin. Cardboard boxes must be flattened and cut into pieces no larger than 2' x 2' and placed inside the recycling bin. We have sturdy 68 gallon recycle bins with wheels and a flip top cover available for a cost of \$50.00 each.

Thank you for your cooperation. If you have any questions, please contact the Department of Public Works at 617-625-6600 ext. 5105.
